Message from **PRESIDING OFFICER DISTRICT PRESIDENT EUNICE CHAN**

To start something is easy, but to sustain it is not – That being said, I'd like to express my sincerest gratitude to all who have been, and are also currently supporting & preserving the role and purpose of District 308 B2 Leo Cabinet.

Marking our 12th year in service since 2009, the Leo Cabinet has served its role to advance the purpose and objectives of Leo Club in our district. Over the years, Leos have continually offered their services as district officers for the betterment of our Leos, in which has enabled us to rise in quality of service to the community. I'm delighted to take on this responsibility as District President and to carry on the legacy of our predecessors.

Being in this organization for years, I have learnt that we will never go far by doing things alone. Everything that we do as a Leo involves learning to work with and placing trust on the people around us...

- At club level, the members and Board of Directors would need to learn cooperation, teamwork and understanding in order to achieve club excellence.
- At regional level, the DC Leos and Regional Coordinators work together to foster sense of belonging and regional spirit to motivate clubs in achieving higher level of impacts within their community.
- And at district level, we are striving to promote mutual understanding and high level of cooperation by facilitating closer working relationship & fellowships between the regions; all which is to achieve larger scale impact through District Unity.

Hence, the Leo Cabinet will maintain its essence and focus to strengthen communication and relationship among the Clubs and the Regions. We will also preserve and initiate more innovative & meaningful District Initiatives to enhance the growth of our Leos and to benefit our local community. Therefore, let's get excited for what's to come!

Let us all continue to work effortlessly to be One District, ROAR!

I am indeed proud to pen a few words for the 13th Installation of District 308 B2 Leo Cabinet. I can still remember the feeling of pride back in 2009 when we formed the Leo Cabinet back then, and to think back...12 years have passed and the Leo Cabinet has evolved so much.

The Leo Cabinet represents the Omega and Alpha Leo Clubs in District 308 B2 where it helps strengthen communication and relationships between the Lions and Leo members. It also provides a platform for young leaders to take up regional and district roles and explore their potential in heavier responsibilities. Such empowerment of the Leos provide a true money-can't-buy experience and opportunity while enhancing the dynamism in them, encouraging 'Strength in Unity'.

The most important thing to me is that I can see almost 90% of the District Leo Presidents are now proud Lions too. We sincerely hope that not just the District Presidents, but also the other cabinet officers can take up the opportunity to further complete their cycle and "come home" to join us in the big family of Lions Clubs. Let's continue to serve and create endless possibilities together.

Big congratulations to Leo Eunice Chan and your cabinet for the installation tonight! Your leadership is indeed needed to create more creative programmes and activities for the Leos in these trying times. Wishing you and your team all the best for this term!

"Start where you are. Use what you have. Do what you can"

To build a dynamic team is not impossible, it takes time, and we must put efforts to achieve on what we want it to be. I always remind myself with this powerful quote when there is a will there is a way. You don't have to be great to start, but at least you must start to be great and inspire younger generation with undaunted spirit to move forward and serve the community and our country.

Leadership involves more than one person and to build a dynamic team we must possess a solid determination, have a reliable personality to be able to influence others and motivating them to do their tasks efficiently. Being the co-founder of Leo District 308 B2 Cabinet back in 2009, I'm confident that the Leo District Cabinet Officers are always ready to be a beacon of hope for the youth in our organization.

The covid-19 outbreak has dramatically changed everyone's live. It affects different people in different ways. For the past one year, the pandemic did not stop our Leos to organize projects. In fact, it has indirectly infused innovations to our organization. Our dynamic Leos have carried out almost everything from offline to online. This has clearly proven that where there's a will and there's a way. Shout out to the team for your dynamic leadership and please continue to inspire the younger generation in District 308 B2

My heartiest congratulation to the new chief District President Leo Eunice and her dynamic team of Leo Cabinet on your installation. Let's continue to create positive change that will impact lives now and embrace the opportunity to make the future even better.

One year has gone by in a blink of an eye. The journey as the District President for District 308 B2 had come to an end. To be able to be endorsed as District President and serve in the district is like a dream come true to me. And I'm so delighted that my team and myself able to achieve some great milestones.

The COVID-19 pandemic has completely changed our lives, we never think that this pandemic will last for so long, and it does not seem to be ending anytime soon. We changed our types of serving, we transformed from offline to online, we improved months by months, and I'm glad that all the passionate Leos in District 308 B2 still unleashed their creativity to carry out activities, to help those in need, in their different ways.

It is an awesome year for me serving as the District President for the fiscal year 2020-2021 together with my passionate Leo Cabinet Officers. Thus, please allow me to extend my greatest appreciation to my Leo Cabinet Officers that have worked together with me for the past fiscal year to bring about the success of the Leo Cabinet.

Other than that, I would also like to thank the passionate Lions, Past District Presidents, and Leos who have given me encouragement, guidance, advice, and support throughout the fiscal year. VISION

To Reach Greater Heights by
Bridging the Leos under the District.

MISSION

- To encourage support & growth among the Clubs and the Regions.
- To amplify long-term impacts through teamwork & collaborations.
- To build sense of belonging in each Leo Member towards One District.

"STRENGTH IN UNITY"

is all about the people, and it is about you.

The aim is to create a sustainable culture where not only do we contribute to the community, but we also contribute to ourselves by nurturing new friendships, gaining valuable lessons and new skills from the people around us, and to have a great time with Leos from all over the District.

The main goal is to create a District where all Leos are part of the family and get the best out of it.
