Marking the 13 years of District 308 B2 Leo Cabinet, it's my pleasure to pen a message for the 14th Installation of District 308 B2 Leo Cabinet.

After three years of pandemic, we are finally back to our norms which are physical installations, projects, and events. Throughout the pandemic years, everyone tried hard to explore technology, innovate project ideas, and keep on breakthrough our limitations. But, this couldn't stop District 308 B2 Leos from serving the community.

12 years of service, I went through up and down, sweet and sour. Although there are obstacles, it never gonna stop me from developing myself and serving the community. So this is the reason why I am here today as the District President, to tell you that you can do it as well.

"There's a spark in you, you just gotta ignite the light and let it shine" quote by Katy Perry. Coming out with the theme "IGNITE" which I wish to rekindle the passion of Leos in serving and we shall serve dynamically in unity with utter passion & equality.

In this fiscal year, the Leo Cabinet will continue to assist the District Chairpersons for Leo Development as well as District 308 B2 Leo Clubs by giving our best, preserve, and initiate back the most exciting events: District Leo Camp, District Leolympics, District Leo Quiz, etc.

Lastly, I would like to thank 1st District Vice President Tuleshini and the Leo Cabinet Officers for organising the 14th Installation of District 308 B2 Leo Cabinet. Sit down, enjoy, and welcome to my hometown, Ipoh, Perak.

"IGNITE"

First and foremost, I would like to extend my heartiest congratulations to Leo District President Chin Chun Yen and your Cabinet Officers on the Installation Ceremony. This Installation marks the new term of fiscal year for the Leo District President and his Cabinet Officers. A new year is also a year of fresh leadership and perspective, challenges and accomplishments.

I am deeply delighted and honoured to be able to join you as Past Leo-Lion Board Liaison and GAT Area Leader at this auspicious moment. In this fiscal year, our International President Brian Sheehan expresses the presidential message of “Together We Can”. We appreciate members of all ages as all perspectives have value, especially in Leos and Leo-Lions. I am very honoured to tell everyone that I had the privilege to serve as Leo District Secretary and also Leo District Coordinator for Leadership and Leo Development few years back in District 308 B2. These experiences during my Leos journey had made me who I am today. Besides, you can also easily name many outstanding leaders among the Past District Presidents and they are our role models today.

To my dear Leo District President Chun Yen, I believe with your exemplary leadership in Leo Journey, you will no doubt successfully achieve your District’s missions which are in line with the direction of the Lions District and also Lions Clubs International. Your accomplishments will inspire those around you and honour the Association’s motto “We Serve” and also our Leo’s motto “Leadership, Experience and Opportunity”. Once again, I look forward to working with you and your team. Great job to the Organizing Chairperson Leo Tuleshini and her amazing team too. Have a successful, exciting and fulfilling year ahead. It is my honour and pleasure to be invited to pen my message in this wonderful booklet published in conjunction with the 14th Installation of District 308 B2 Leo Cabinet. I also would like to extend my heartiest congratulations to Leo Leo Tuleshini Jivanantham and your entire committee members. Well done!

Please be assured that Lions are always in support of Leo Clubs and their activities for youth development because Leo Club Program is an integral part of Lions Clubs International. As LEO stands for Leadership, Experience and Opportunity, this is the platform for Leo members to acquire leadership skills. Here you also discover how teamwork and cooperation can bring about change in their community and the world. This is indeed a very good life experience.

I understand that the Leo Cabinet serves as the central resource point for the Leo Clubs in Malaysia and serves as a platform for the outstanding club officers to serve at the national level. My heartiest congratulations to the newly elected Leo District President and all key officers for Fiscal Year 2022-2023.

This year's International President Brian Sheehan's theme is "Together We Can", which clearly emphasizes the importance of teamwork. We know that together we are more, together there are no limits. If everyone of you is moving forward together, then you are on your way to more success.

Lastly, I wish everyone that takes time off to be present at this event a joyful, fruitful, and a memorable day.

Thank you.

**First Vice District Governor**  
**Alan Thoo S'y-Kit**

A big hand to District President Chin Chun Yen and your respective Leo Cabinet Officers for being installed today. It is an honour for me to pen a few words for your souvenir booklet.

I must say that it was just like yesterday when I initiated the formation of our Leo Cabinet in 2009 as your District Chairperson for Leo Clubs then. It wasn't an easy task, but with the support of the late PDG Choong Kwei Loi and his Lions Cabinet Officers, our dream became a reality.

Our District's goal and theme for this fiscal year is "Togetherness in Action & Service", which serves to remind all of us of our unwavering commitment to Lions Clubs International and also to energise members to continue to help our country and community. As a result, the strength of TOGETHERNESS also symbolises our optimistic outlook and our creative energy to promote humanitarian activities.

All Leo Cabinet Officers have always demonstrated a commitment to giving back to the community. When it comes to helping those in need, you are continuously bursting with liveliness and passion. Everyone of you exhibits this passion and comes together with one goal, "We Serve!", and that is extremely consistent with the motto of our International President, Brian E. Sheehan, "Together We Can"!

I would like to take this opportunity to congratulate the Organizing Chairperson, 1st District Vice President Tuleshini Jivanantham and the organizing committee, for a job well done in your hard work in the organising of this installation. Not forgetting all the District Chairpersons for Leo Development, Lions Hng Chee Wey, Loke Wai Yew, Ray Tan and Kenneth Yeoh for your hard work in supporting and shaping the Leo Cabinet to be a dynamic force in bridging the Lions and Leos. As for all Lions and Leos, it is not going to be an easy "recovery" year from the COVID pandemic. Nevertheless, work in unity and togetherness to achieve your goals and dreams and inspire more to join our cause!

Lastly, I call upon all Lions and Leos to stay safe and healthy and remember to take extra precautions when you need to go out for work or for service.

Take care! ROAR!

Once again congratulations to all Leo Cabinet Officers and Leo District President Chin Chun Yen for organising a great event here.

At the same time, I would like to take this opportunity to make an advertisement. As some of you already know recently, I had made a movie called "Returning Home" 《英雄回家》, the movie is about frontlines and also it is promoting our Lionism, this movie is going to be shown next year Chinese New Year at cinemas nationwide. Hope by that time, our Lion and Leo members will go and support the movie!

Congratulations to District President Chin Chun Yen and both Vice Presidents Leo Tuleshini & Leo Jonathan Tan for being elected and installed into the respective positions for Fiscal Year 2022-2023.

This fiscal year marks a new challenging year for these new officers. Over the past 2 years we encountered the pandemic, which has forced us to change our lifestyle and at same time give back our time to serve our communities at large. With this philosophy adopted by LCI and our District "TOGETHERNESS" I have every confidence that we as a TEAM will strive to bring our SOCIETY to greater heights and a better tomorrow.

As your District Chairperson, it is my utmost desire to see all of you perform your best for the Leo District and Lions Clubs International. Always bear in mind our District Governor KK Loy - Keep Kindness Lies over You.

Leo Development Region 3 & 4  
Ray Tan Kah Hoe**

It is my great honour to have this opportunity to pen a few words for District 308 B2 Leo Cabinet, Malaysia 14th Installation & 13th Anniversary Souvenir Programme. My heartiest congratulation to the District President Chin Chun Yen from Leo Club of Ipoh Central, and his cabinet officers for the Fiscal Year 2022-2023.

This is the first year I'm serving as the Lions Cabinet Officer in District 308 B2, Malaysia. It's my great pleasure to take up the position as District Chairperson for Leo Development, and I'm glad to serve with the Leos. Leos are our future leaders, Leo Cabinet has provided a platform for the Leos to serve at the regional and district level, and they can explore their potential on a higher platform, as well as to take up heavier responsibilities and bigger challenges. Thus, I would also like to congratulate the officers on being appointed to your respective positions.

Since its establishment in 2009, the Leo Cabinet has been led and maintained by skillful yet outstanding Leos. They always assist District Chairpersons for Leo Development in administration and strengthen communication and relationships as well as closing the gap between Lions and Leos. This shows that the Leos who served as former Cabinet Officers are very helpful in assisting their sister clubs, especially the Alpha Leo Clubs. Helen Keller said, "Alone we can do so little, together we can do so much." So, let us work together for the betterment of our community and our country!

Once again, congratulations to all the Leo Cabinet officers and the organizing committee. Looking forward to seeing all of you reaching even greater heights.

In a blink of an eye, it has come to the 14th Installation of Leo Cabinet in District 308 B2. It is a privilege to have Leo Cabinet in District 308 B2, the only District that adopted this platform for our future leaders.

To be part of the Leo Cabinet officers, you must uphold good leadership skills and be a role model for our Leos. It is not an easy task where Leo Cabinet Officers are expected to perform their duties 2 or 3 times more than ordinary Leo members. Having said that, this is a very good platform for all of you to lead the whole district to another greater height. I always mentioned that the Leo Program doesn't pay us, but what we have learnt here is way beyond monetary reward. It is an intrinsic achievement you will never get from elsewhere. Enjoy the moment to the fullest and give your best to serve the community and assist our Leos.

Lastly, I would like to take this opportunity to congratulate District President Chin Chun Yen and his Leo Cabinet Officers on your appointment. I still remember the first time I met Chun Yen was at the Perak Regional Meeting, and he was the Director of Leo Club of Sam Tet. After witnessing his transition from Alpha to Omega Leos, and being elected as Club President, and now as a District President, I believe he can bring our district to another greater height and I am extremely proud of him. Enjoy the journey and we shall meet real soon.

### *Message from* **Immediate Past District President** **Eunice Chan Kah Yen**

A new beginning with endless possibilities. I would like to welcome all leos, new and current, to join us, to create fond memories and to embark on an exciting journey together this fiscal year!

In the last two and a half unique fiscal years, we have overcome many challenges and adapted to the unfortunate outbreak of Covid-19. I'm very proud to have tag along this journey of creative virtual ventures and to witness the perseverance and effort of our Leo Clubs. It was an eye-opening experience to re-learn how to organise projects, forums and seminars physically into a virtual one. Though undeniably there were many downsides and difficulties, personally, it was a once in a lifetime opportunity that had brought in many valuable learning opportunity and growth.

Nevertheless, we should all rejoice as the world returns to how it was before. As we all get excited about the ease of Covid-19 restrictions, this would also mean the return of physical projects! It is indeed a new start for many of us, especially for clubs that struggled with motivation and ideas in the midst of the crisis. It is time that we IGNITE the fire within us.

Not forgetting the support I've garnered through my term as the District President 2021-2022, I would like to give my sincerest gratitude to all who were in this journey with me. Greatest shoutout to my team of officers last year, it was an honour to have worked alongside you guys! ♥

Ending this passage with a high note, it is my pleasure to hand over the duties and responsibilities to our three elected officers, DP Chin Chun Yen, 1st DVP Tuleshini and 2nd DVP Jonathan Tan. We shall have faith and witness a new legacy being formed under the leadership and capabilities of our district leaders. I would like to thank you in advance for your continuous support and encouragement towards the District 308 B2 Leo Cabinet.

Wishing for a fruitful fiscal year ahead. ROAR!

A special thanks to Lion Bibi Lam for the constant support in the preparation for the event day in the past one month! To all the sponsors, thank you for the trust, and we will definitely make good use of the fund to make contributions to our community.

As we are back to more physical projects and events in Fiscal Year 2022-2023, the past 2 months have been adventurous and nostalgic with all the travelling throughout the district for installations and projects. With our District President's theme, "Ignite", the Leo Cabinet has planned many initiatives to ignite the fire and passion in Leos to unite and serve the community.

As the 14th Installation of District 308 B2 Leo Cabinet marks the first event from Leo Cabinet and as the representative of Leo Cabinet, I hope that the Lions and Leos in the district will keep supporting the upcoming initiatives by the Leo Cabinet!
